

# RIVERMONT ASSISTED LIVING AND MEMORY CARE COMMUNITY EVENTS

---

## **Is it Alzheimer's or Dementia?** JUL. 21, 2022 4:00-5:00PM

Not all types of dementia are Alzheimer's disease, and not all forgetfulness can be attributed to normal aging. Join us as we learn the hallmarks of Alzheimer's disease, including common symptoms, and how those are different from other types of dementia. Bring along your questions!

## **Is it Alzheimer's or Dementia?** JUL. 21, 2022 2:00-3:00PM

Not all types of dementia are Alzheimer's disease, and not all forgetfulness can be attributed to normal aging. Join us as we learn the hallmarks of Alzheimer's disease, including common symptoms, and how those are different from other types of dementia. Bring along your questions!
